

To the New Applicant: never applied nor received an Ousley Scholarship:

2023-2024 Academic Year

Please read these instructions carefully. Deadline for applications this year is March 15, 2023. Each year many applications are not considered because of a failure to include the necessary documentation listed below and/or compliance with the deadline. A complete application requires the following additional documents by the deadline:

- FAFSA in its entirety – which includes page 1 with your EFC (Estimated Family Contribution) and all the following pages. Do not send the application for the FAFSA to us.
- Official High School Transcript (Required of all new applicants even if you are in college. An Official Transcript is produced by your high school in a sealed envelope, signed by a school official and/or with a raised seal and not simply downloaded from your school's website and printed by you)
- Official College Transcript(s) if you are already in college, or have received college credits, ("Official Transcript" is produced by your school(s) of attendance in a sealed envelope, not simply downloaded from your school's website and printed by you)
- Financial Aid Award Letter if you have received it, if not, send it to us as soon as it is available
- Deadline: Submit application by March 15, 2023

And as a final reminder, be sure you have signed the student certification and a parent has signed the certification that is on page 3 of the application.

We look forward to considering your complete application for the Ousley Scholarship.
